## Discovering artistic and cultural treasures of the Alberoni Gallery in Piacenza

Between art and science to discover the most precious artistic and scientific masterpieces preserved in the seminary founded by Cardinal Giulio Alberoni.

The guided tours will lead to the discovery of Cardinal's Apartment, recently rearranged, which houses extraordinary masterpieces among which Ecce Homo by Antonello da Messina, an absolute masterpiece of Western art; you can also see the monumental library, the museum of scientific instruments, the picture gallery of Cardinal Alberoni, the physics classroom and the internal garden.

At 7:00 pm registration and "welcome cocktail"

**At 7:15 pm start of the guided tours of the Alberoni Gallery**

Each visit will last about an hour.

At 8.30pm the Gala Dinner begins  
in the beautiful Sala degli Arazzi
